Transforming Analytical Learning in the Era of Big Data

An Undergraduate Summer Institute in Biostatistics SIBS at The University of Michigan

June 15-July 24, 2020

This full-time 6-week summer institute will introduce undergraduate students to emerging challenges at the intersection of Big Data, Statistics, and Human Health.

Application opens December 1, 2019

Lectures will be led by a diverse group of stellar biostatistics, statistics, electrical engineering, and computer science faculty at the University of Michigan. Faculty from biomedicine and public health will present their perspective of big data. Working in teams, students will participate in mentored big data research projects.
